

Norton Animal Hospital

"Treating your pet like one of the family"

Care Enough to Share!

We want more clients who love their pets like you do! Provide your friends or family an opportunity to get acquainted with us! Give them this referral card and have them bring it to their first appointment for a special discount.

A Gift for You and Your Best Friend

From pet care experts who make a difference!

You care enough to bring your pet in for life-saving wellness exams and vaccinations.

You and your best friend deserve to be rewarded!

Let the staff at Norton Animal Hospital show your pet the path to improved health!

We genuinely care about every pet we treat. And it shows as soon as you walk in the door. Our staff's pet-side manner will put your friend at ease. They will greet them with a smile and hold their paw through the entire exam. And if treatment is required, you can rest easy knowing we've been going the extra mile for area pets for over 30 years.

This certificate entitles the bearer to 5% off of your First Visit!

New clients only. Must present this at time of visit.

Your Pet's Exam Includes

Thorough check of eyes, ears and mouth for signs of infection; listening for strong, healthy heartbeat; listening to the lungs for clear breathing sounds; inspection of legs and paws; weight measurement to ensure proper body condition; inspection of skin and hair for parasites; checking lymph nodes for lumps; checking abdomen for enlarged organs
